

Precursors to the NNIRC

”Nordisk Kurs i Interventionell Neuroradiologi för sjuksköterskor och radiografer” , Stockholm, 20-22 Oct 1997

Organiser: Nurse/radiographer Margareta Ericson (Karolinska)

Lectures by-

Dr Michael Söderman	Vascular anatomy of the brain, and Dural Sinus thrombosis
Prof. Per Nakstad	Cerebral aneurisms and AVM
Dr Göran Edner (Neurosurgeon)	Neurosurgical aspects in choice of aneurism treatment
Dr Pål Svendsen	Cerebral AVM (<i>pioneer in development of the role of the radiographer in interv.</i>)
Prof. Kai Ericson (Karolinska)	Stereotactic principles in treatment of AVM and intracerebral tumours
Dr Metin Tovi	Spinal Angiography
Nurse Margareta Ericson	Development of the role of the nurse/radiographer in neurointerventional procedures

”Nordisk Utbildning for Interventions Sköterskor”, Karolinska, Stockholm, 31st jan-1st feb 2013

Organisers: Radiographers Johanna Doshé, Maggie Östman, Dr Tommy Andersson

Lectures by-

Dr Nikolas Kostulas	Stroke symptoms and diagnosis
Dr Håkon Almquist	Stroke process, Karolinska
Dr Tommy Andersson	Endovascular treatment of stroke
Dr Michael Söderman	Endovascular treatment of stenosis a.carotis interna
Dr Staffan Holmin	Endovascular Neurointervention in children
Dr Mats Cronquist	Endovascular treatment of spinal AVM and tumours
Dr Gyula Gal	Flow Diverters

”Nordic Neurointerventional Radiology Course” ,Rigshospitalet, Copenhagen, 4-6th Nov 2014

Organisers: Radiographers Mona Ekman, Kim Theill, Anne Kirch

Lectures by-

Dr Mats Cronquist	Patient information before and after endovascular treatments
Prof Rene Chapot	Recent advances in aneurysm therapy, Endovascular treatment of Dural Fistulae
Dr Vagn Eskesen	Cerebral Aneurysms
Dr Klaus Hansen (Neurologist)	Role of the Neurologist in acute phase thrombosis
Dr Marie Cortsen	Unexpected Complications
Dr Markus Holtmanspötter	Endovascular treatment of thrombosis
Clin.Psych Carla Caetano	From the perspective of the Neuropsychologist
Nurse Anesthetists Kim Escher, Ole Marding	Anesthesia in neurointerventional procedures
Dr Mats Cronquist	Endovascular treatment of AVM
Dr John Hauerberg (Neurosurgeon)	Neurosurgery of AVM
Physicist Hanne Waltenburg	Radiological protection in endovascular procedures
